My Dear Sam,

As suggested in my last teleg. that I
should write you to S. F. unless I rec'd instructions
to the contrary, I now write to say that I am in
receipt of yours of Mch. 13th enclosing complete
statements; also copy of jr report to the Board for
w of which, thanks as I am very glad to have them
I was rather disappointed that arrangements had
been made for the holding of the Mammoth J. J. first
meeting for organization, and your trip to S. F. so early.
I wanted to send you a copy of Dr. Church's
report ^{made} after my meeting with him in New York &
the collation and consideration of all that has
been done in the mine since, full reports and maps
which have been frequently sent me by Morton -
also to Church and the latter spent another
day in the mine the middle of this month a
short letter regarding which he sent me saying
he would see me here about April 1st.
I am only just now in receipt of Church's original
report ret'd by Morton and cannot send it to you
I want it here when Church arrives. These

has been a great deal of work done by Church in his examination, consideration, Report and better Motion has done considerable work under Church's instructions and considerable in carrying out his own ideas some of the latter of which I think Church is prepared to adopt and I think some differences of opinion have been reconciled. I don't want to exhibit any formal report of Church until we have the conference here, up to date.

Mr Burnham however will want to see C's report when he arrives 24th Inst. as I wrote him I had it.

I think you had better go up to the Mammoth and spend a day or two or three if you think necessary and say to Norton that you have not seen C's report and let him make his explanation to you. You know there is never any difficulty about his talking. I will write him you will be there.

I wrote Mr Whitworth yesterday and I presume you will get all Mr. Matthews put in shape all here are as well as usual. I will write again soon to Palace. Our office father Mr Sam. W. Cheyney, S. F. W. J. Cheyney
